

It is nice to come home and not to see at least 10 messages a day on my answering machine which are hang-ups by TELEMARKETERS!!!!!! When I come home from work I don't need to be harassed by the phone. My friends have to call me on my cell phone because I refuse to answer my house phone. IT IS REDICULOUS TO PAY FOR A HOUSE PHONE AND NOT ANSWER IT!!!!!! PLEASE KEEP THE DO NOT CALL REGISTER!!!! IF GEORGE W. BUSH HAD TO GO THROUGH THIS I'M SURE HE WOULD WANT THE DO NOT CALL LIST!!!!!!
